Our Distinguished Chief Guest
Prof (Dr) Jaspal Singh Sandhu

Vice Chancellor
Guru Nanak Dev University

Innovation is the key to academic excellence and nobody understands it better than Professor (Dr) Jaspal Singh Sandhu, Vice-Chancellor of Guru Nanak Dev University, Amritsar. Widely known in academic circles for his progressive ideas, Prof Sandhu is credited with initiating many innovative and inter-disciplinary programs in the University.

Owing to his initiative, GNDU established the Department of Sports Medicine and Physiotherapy in 1995, the first Department of Sports Medicine in any university in India. It was later recognized under "Centre with Potential for Excellence in Particular Area" program of the University Grants Commission (UGC).

An Orthopedic Surgeon by training, Prof Sandhu's special interest areas include research and education in Sports Medicine. Under his guidance, the University started many innovative programs like PhD in Sports Medicine and Sports Physiotherapy, Masters in Sports Physical Therapy, Masters in Exercise Physiology and Nutrition, Masters in Sports Psychology etc.

Before taking over as the vice chancellor of GNDU, Prof Sandhu was Secretary, UGC and had earlier held many academic and administrative positions in GNDU.

Prof Sandhu is also a member of the Editorial and Advisory Boards of a number of international institutions. He is Fellow of National Academy of Medical Sciences (India), Fellow of the International Federation of Sports Medicine, Fellow of Asian Federation of Sports Medicine and many more. He was the first Indian to become the Secretary General of Asian Federation of Sports Medicine and allied areas. He has over 235 research publications in journals of international repute.

The Management, Principal, students and staff of the College are honoured to have a man of the stature of Prof Sandhu in their midst.

PRINCIPAL NEWS

Under the able guidance and leadership of Principal Dr Bhushan Kumar Sharma, the college was awarded A+ Grade by the National Assessment and Accreditation Council (NAAC) in the 3rd cycle of institutional assessment by the NAAC peer team. The college saw an elevation of 37 points in the score given by the NAAC team, taking it from Grade 'A' to 'A+'. The College also ranked 41st in All India Ranking 2017 by the National Institutional Ranking Framework (NIRF), MHRD, Govt. of India.

In a survey conducted by 'India Today' in collaboration with Nielson India, our college was ranked 12th in Commerce, 18th in Science and 18th in Arts at All India level. In North India region, the college was placed 1st in Commerce, 1st in Arts and 2nd in Science streams excluding NCR region.

Dr Bhushan Kumar Sharma is a member of PEER team for National Accreditation and Assessment Committee. He holds the membership of various professional bodies of prestige including Indian Accounting Association, Institute of Company Secretaries of India and All India Management Association. Dr Bhushan is a member of various selection committees of Panjab University. He is also a member of the Managing Committees of various colleges like Swami Satyanand College of Management and Technology, Amritsar.

FACULTY DEVELOPMENT PROGRAMMES

Instructional Skills Workshop (May)

A week-long Instructional Skills Workshops (ISW) was organised in the college from 22 - 28 May 2017. The Instructors for the workshop were Dr Monica Sachdeva and Dr Ajay Sharma from Department of Commerce and Management. Nine faculty members from various departments of the college participated in the workshop. The workshop involved modules for enhancing teacher-student learning activities, lesson planning, and generating constructive feedback. Mr Harender, Department of English, Dr Priya Chadha, Department of Mass Communication, Dr Neetu Thakur, Department of Biotechnology, Dr Nidhi Mittal, Department of Biochemistry, Dr Shikha Gupta, Department of Physics, Mr Rakesh Verma, Department of Physical Education, Dr Rajinder Mann, Department of Physical Education, Ms Arvuda, Department of Economics and Dr Garima Srivastava, Department of IT attended the workshop.

Instructional Skills Workshop (December)

Under the aegis of University of Fraser Valley, a week long Instructional Skills Workshop (ISW) was conducted from 11-17 December 2017. A total of twelve faculty members from various departments of the college participated. The FDP aimed to sensitize the teachers about multifarious teaching models in class, using technology as an aid of effective teaching, and ways to enhance maximum participation while teaching. The faculty members who participated in the workshop included Dr Meenu Gupta, Dr Shallu Sharma, Ms Gurjeet Kaur, Ms Jyoti Jindal, Dr Nidhi Choudhary from the Department of Commerce and Management; Dr Megha Devgan and Ms Shipra Bansal from

Department of Economics; Ms Gaganpreet Walia, Department of English, Ms Manu Sehgal, Ms Archana, Ms Jyoti Maini from Department of IT and Dr Supriya Vaid, Department of Botany. Dr Monica Sachdeva and Dr Ajay Sharma were the facilitators of the workshop.

CAT Results

10 SD Students Receive Calls from IIM and IIFT 1 Student Gets 100 Percentile

Following the CAT Results of 2018, 10 students of the College got calls from various IIMs; with 3 students having received calls from the prestigious IIM, Ahmedabad. One Student, Pramod Beri secured 100 percentile. "Only 10 students of non-engineering background have secured a 100 percentile this year and our student Pramod is one of them," said Principal Dr Bhushan Kumar Sharma.

Mr Upkar Krishan Sharma, President, GGDSD College Society announced scholarships for the students. A scholarship of Rs 21,000 was given to Pramod Beri who scored 100 percentile while scholarships of 10,000 each was given to students who secured admission to any IIM of the country.

NEW COURSES / RESEARCH CENTRE

The College has been granted a Research Centre in Commerce leading to PhD. Admission to PhD and the course will be done by University Business School, Panjab University. The procedure will be at par with the UG Program. The College already has a Centre for Research in Physics. The College will also offer Geography as a minor in BA from the academic session 2018-19. The sanctioned student strength of BBA will increase from the 2018-19 following the grant of another unit to the College.

FACULTY NEWS

Research Project Awarded

- **Dr Kriti Sharma**, Department of Physics, has been awarded a research project of Rs 22 lakh for a period of three years by the Science and Engineering Research Board (SERB), New Delhi, under the Extra Mural Research Project Scheme. The SERB is a statutory body established through an act of the Parliament. Dr Kriti will conduct research on the " Investigation of the Properties of 2-D Materials for Device Fabrication and its Biosensing Application."
- **Dr Samriti Dhawan**, Department of Biotechnology and **Dr Jasveen Dua**, Department of Botany have been awarded a research project with a grant of Rs 4 lakh under DBT's programme, For the use of Foldscope as an Educational and Training Tool. The grant is funded by the Department of Biotechnology, Ministry of Science and Technology, Government of India.

PhD Completed

- **Dr Ruchi Sharma**, Department of Economics, completed her PhD from HP University, Shimla. The topic of her thesis was 'Commercial Banking Development in Punjab: A study of Inter – District Disparity.'
- **Dr Pooja Mohan**, Department of Information Technology was awarded PhD on the topic " Context aware model for enhancing Security and privacy wireless sensor network" from Punjabi University, Patiala
- **Dr Niharika Sharma**, Department of Economics, successfully completed her doctorate from Department of Economics, Punjabi University, Patiala. The title of her thesis was 'Industrial growth in India: An Inter – State Analysis.'
- **Dr Arvuda Sharma**, Department of Economics, successfully completed her PhD titled 'Business Cycles in the Indian Economy: A study of Post Reform Period' from Panjab University.
- **Dr Monika Soni**, Department of Political Science, successfully completed her doctorate titled 'Human Rights Violations and the Role of Police with Special Reference to Illegal Arrest and Detention: A Case Study of District Ludhiana (2008-2013)' from Panjab University.
- **Dr Megha Devgan**, Department of Economics, completed her doctorate titled 'Market Structure, Conduct and Performance of Real Estate Sector: A Study of Chandigarh and its Neighbouring Cities and Towns' from University Business School, Panjab University.
- **Dr Shivani Saini**, Department of Botany, successfully completed her PhD titled 'Comparative Analysis of Roots and Auxin Homeostasis in Two Contrasting Salt-Responsive Cultivars of Rice' from the Department of Biotechnology, Guru Nanak Dev University, Amritsar. She was working under INSPIRE Fellowship (IF10123) provided by Department of Science and Technology (DST), Government of India.
- **Dr Jamuna Negi**, Department of Zoology, successfully completed her PhD titled 'Studies on Microbial Flora and Macromolecular Composition of Honey Stomach of *Apis spp.*' from Panjab University.
- **Dr Archana Verma**, Department of English completed her PhD in 'Hybridity and short story cycles: A critical analysis of three collections' from Panjab University

Books / Papers Published in Journals / Chapters in Books

Department of Commerce and Management

- **Dr Ajay Sharma** published four books on GST for the students of B Com, M Com and BBA of various universities.
- **Dr Mani Parti** published a paper titled "Mutual Funds: Awareness Amongst the Masses" in Journal of University Institute of Legal Studies, Vol III, 2017.
- **Ms Jyoti Jindal** published a paper titled "Persisting Challenges of Globalised Indian Economy" in IRJMST, Vol 9 Issue 1, January, 2018. ISSN No. 2250-1959.
- **Dr Monika Khindri** published a paper titled "Women and Leadership - A Way to Self Empowerment", in 'Advances in Economics and Business Management,' Krishi Sanskriti Publications International Journal, JNU Delhi, ISSN 2455-0035, eISSN 2394-1553, Vol.3, Issue 5, April-June 2016, pp560-562.
- **Mr Ankush and Dr Deepak Kapur** published a paper titled "Influence of Medical Representative on Knowledge, Attitude and Practice of Physicians" in International Journal of Management Research and Business Strategy,

Vol. 6, Page No. 1, ISSN 2319-345X. They published a paper on "Physician Behaviour towards Marketing of Pharmaceutical Products" in International Journal of Science Technology and Management, Vol. 6, Page No. 284, ISSN (O) 2394-1537, ISSN (P) 2394-1529.

- **Mr Ankush** published a paper titled "The Impact of Pharmaceutical Promotion practices on Prescribing Behaviour of Physicians" in International Journal of Engineering, Technology Management and Applied Sciences, Vol. 5, Page No. 542. ISSN 2349-4476.

Department of Economics

- **Dr Gagandeep Sharma** has published book titled, "X-Efficiency, Profitability and their Relationship with Customer Satisfaction: A Comparative Study of Selected Public and Private Sector Banks" with ISBN no. 9788192756974 by Neoti Book Agency Pvt. Ltd., New Delhi. He published seven research papers titled: "Analysis of Non-Performing Assets of Public and Private Sector Banks in India" in International Journal of Research in Management & Social Science. Volume 5, Issue 3 (II) July, 2017 ISSN No. 2322-0899; "Technical and Scale Efficiency of Selected Insurance Companies in India" in International Journal of Engineering Technology, Management and Applied Sciences July 2017, Volume 5, Issue 7, ISSN 2349-4476; "Is Demonetisation a last Resort to Restrain Parallel Economy?" in Diviner, ISSN 0973-8320, Vol. 14, No. 10 pp. 80-87 Jan – June 2017; "Comparison and Analysis of Profitability of Top Three Indian Private Sector Banks" in International Journal of Engineering Technology Science and Research. Volume 4, Issue 6 June 2017 ISSN 2394 – 3386; "Trends and Status of Education in India: A Pathway to Economic Growth" in International Journal of Engineering Technology, Management and Applied Sciences. June 2017, Volume 5, Issue 6, ISSN 2349-4476; "(In) Efficiency and Benchmarking of Selected Companies" in International Journal of Engineering Technology, Management and Applied Sciences. February, 2017, Volume 5 Issue 2, ISSN 2349-4476; "Assessment of Customers' Perception and Expectation of Selected Public and Private Banks" in Diviner, ISSN 0973-8320, Vol. 13, No. 2 pp. 80-87 July – December 2016.
- **Dr Ruchi Sharma** published a research paper on 'Financial Inclusion in Punjab: An Inter District Analysis' in SAARJ Journal on Banking and Insurance Research, Vol.6, July 2017. She also published a research paper on "Inter-District Disparities in Credit-Deposit Ratio of Commercial Banks in Punjab" in Indraprastha Journal of Management, Vol. 4, Issue 8, Feb 2018.
- **Dr Niharika Sharma** published a paper titled 'Structure of Indian Manufacturing Output and Employment: An Inter State Analysis' in the International Journal of Engineering Technology, Management and Applied Sciences, www.ijetmas.com, April 2017, Volume 5 Issue 4, ISSN 2349-4476.
- **Dr Megha Devgan** published a research paper titled "Market Performance of Real Estate sector in Chandigarh and its Neighbouring Towns and Cities and its relationship with Market Conduct" in International Journal in Management and Social Science, 2017. Vol.05 Issue-10, ISSN: 2321-1784 with an Impact factor of 6.178.

Department of English

- **Ms Ritika Sinha** published two books titled "How to Write Correct English" and "Communicating Effectively in English" both by Abhishek Publications. She published 5 papers titled "Mind houses Language: an Innate Endowment facilitating Language Acquisition" in International Journal of Scientific Research and Education, Volume 5, Issue 6, June 2017, ISSN 2321-7545; 'Contributions of Saussure: Revolutionising Language Study in the 20th Century' in International Journal of English Language, Literature in Humanities, Volume V, Issue 1, September 2017, ISSN 2321-7065; 'Developmental Psycholinguistics; First Language Acquisition: Indispensability of Input' in International Journal of Recent Scientific Research, Volume 8, Issue 12, December 2017, ISSN 0976-3031; 'Language Lateralisation; A Neurolinguistic Analyses of Functional Exclusivity of Broca's Area' in Pune Research - An International Journal in English, Volume 4, Issue 1, Jan-Feb 2018, ISSN 2454-3454; 'Language in Making; Tracing the Child Language Acquisition Schedule' in Journal of English Language and literature, Volume 5, Issue 1, 2018, ISSN 2349-9753.

- **Ms Nitika Garg** published two papers titled "The Survival of the Fittest: An Exploration into the Psyche of Men and Women in the World of Vijay Tendulkar's Sakharam Binder" in International Journal of English Language, Literature & Humanities (IJELH), Volume V Issue X (pg. 622-639), Oct 2017 and "Silence! The Court is in Session: An Analysis of Dynamics of Power and the Resultant Cruelty" in Literary Quest Journal, Volume 3 Issue 3 (pg. 61-81), Nov 2017.

Department of Journalism and Mass Communication

- **Dr Priya Khanna Chadha** published a paper titled "Media Sensitization to Child Rights: Child Marriage Violation to Human Rights" in a book titled Liberty, Dignity and Change in Journalism, ISBN Number 978-81-934480-7-6.
- **Ms Divya Jyoti Randev** published a paper titled 'The Use of Anonymous Sources in Print: Journalistic Privilege in India' in the July 2017 issue of International Journal of Multidisciplinary Research Review.

Department of Mathematics

- **Dr Mahak Sharma** published paper titled "Some finite p-groups with central automorphisms group of non-minimal order" published in Journal of Algebra and its Applications Vol. 17, No. 2 (2018) 1850026 (5 pages).

Department of Political Science

- **Dr Monika Soni** published two papers titled "Police in Punjab -- A Protector or a Violator?" In International Education & Research Journal in April 2017 and "Human Rights Violation in Punjab: Some Issues and Concerns" in International Journal of Social Science & Interdisciplinary Research in April 2017.

Department of Statistics

- **Mr Ram Niwas** published a paper titled "Stochastic Analysis of a Single-unit System with Repairman having Multiple Vacations" in International Journal of Computer Application (ISSN No. 2250-1797) in January, 2018

Department of Punjabi

- **Dr Pardip Kumar** published a research paper "Madan Veera-Kaav da Vichar dharak Sangharsh" published in the journal Alakh, August-2017, ISSN: 2320-0413. He published an article "Madan Veera de Kaav- Sngre Bhakhyavich Mukti da Sankalp" in the book Mahan Veera di Kavita da Kaav-Shastar, edited by Jaswant Rai, Lokgeet Parkashan, Chandigarh, ISBN: 978-93-5204-745-1. He contributed an article "Sarabjit Sohi de Kaav-Sangreh Tarkash vichle Haraf da Vichar-Parbandh" in the book Tarkash vichle Haraf: Vidrohi Sur da Punr-Uthan, edited by Dr Anup Singh, Tark Bharti Parkashan, Barnala. He published a research paper titled "Punjabi Viah Ishteharan di Bhasha vich badal rahe samaj sabhyacharak sarokar" in the proceedings of two-day UGC sponsored National Seminar on "Media atte Samkali Punjab."

Department of Psychology

- **Dr Tarundeep Kaur** published three papers titled "Impact of Technology on Student's Way of Receiving Information" in Educational Quest: An International Journal of Education and Applied Social Sciences, June 2017, Vol 8(2). ISSN 0976-7258; "Influence of Psychological Factors on Athletic Performance" in ISSBD Bulletin special section: ISSN2040-5235: Number 2 Serial No. 72, a supplement to International Journal of Behavior Development Volume 4, Issue 6, November 2017 and "Social Security and Legal Aspect in Disability Rehabilitation" in Indian Journal of Developmental Disabilities, Volume 4, Number 2, November 2017.
- **Dr Nidhi Chadha** published three research papers titled "An Overview of Destination Addiction" published in The International Journal of Indian Psychology, September, 2017, Volume 4, Issue 4, pg no.47 - 51 ISSN No. 2349-3429; "Attachment and Detachment: Indian Philosophical perspective" in Educational Quest: An International Journal of Education and Applied Social Sciences (2017), Vol. - 8 (2), pg no.1-4 ISSN No. 0976-7258 and "Well

being Curriculum: Integrating life skills and Character Strengths" in International Journal of Education and Management Studies, December, 2017, vol. – 7 (4), pg no.518- 521. ISSN No. 2231-5632.

Department of Fashion Designing

- **Ms Sumita Sikka** published a paper titled "Exploring the potential of Chindi (textile waste) for producing quality products for Women Empowerment" in International Journal of Home Science, Impact Factor: RJIF 5.3 on 1 September, 2017.

Department of Chemistry

- **Dr Jasamrit Nayyar** published a paper titled, 'Response surface methodology based extraction of Tribulus terrestris leads to an upsurge of antilithiatic potential by inhibition of calcium oxalate crystallization processes', J Kaushik, S Tandon, V Gupta, Dr J Nayyar, S K Singla, C Tandon, *Plos One*, Published: August 28, 2017.
- **Dr Shweta Wadhawan, Ms Ayushi Jain, Vineet Kumar, and S.K. Mehta**, published a paper titled, 'Synthesis of Biosurfactant Coated Magnesium Oxide Nanoparticles for Methylene Blue Removal and Selective Pb²⁺ Sensing', IET Nanobiotechnology, 2017.
- **Dr Jyoti Kataria** published a paper titled, 'A biomimetic synthesis of stable gold nanoparticles derived from aqueous extract of Foeniculum vulgare seeds and evaluation of their catalytic activity', Mr Manoj Kumar Choudhary, *Jyoti Kataria*, Ms Shweta Sharma, Applied Nanoscience, 2017.
- **Dr Mehak Rohilla** published a paper titled, 'Preparation of secondary alcohols from 1-N benzyl 9, 10-dihydrolysergol', IJSART Vol. 4, issue 1, January 2018, pp 11-18. She also published a paper titled, 'Synthesis of ergoline derivatives; Esterification of lysergol', IJRTER vol. 3, issue 11, pp 172-177, 2017.
- **Dr Kamalpreet Kaur** published a paper titled "Studies on Glycerol Conversion to Tricaproin over Sulfate promoted Iron Oxide as catalyst using Response Surface Methodology" Dr Kaur K., Sobti, A., Wanchoo, R.K., Toor, A. P., Chemical Engineering Research and Design, 2018. She also published a paper titled, 'Enhancement in Conversion and Selectivity of Trivalerin Using Reactive Distillation', Dr Kaur, K., Wanchoo, R.K., Toor, A. P., 'ACS Industrial & Engineering Chemistry Research 56 (44), 12488-12494. Dr Kamalpreet a chapter titled, 'Problem and Consequences of Drug Abuse' in the book on Environment, Road Safety and Violence against Women & Children and Drug Abuse', by Mohindra Publishing House.

Department of Physics

- **Dr Amit Goyal, Ms H. Kaur, Mr T. S. Rajuand, Mr C.N. Kumar** published a paper "Controlling self-similar waves through two Riccati parameter" in International Journal of Pure and Applied Physics, Volume 13, (2017) 150.
- **Dr Neelu Mahajan** published a paper titled "Overview of Neutrino Oscillation Experiments" in International Journal of Electronics, Electrical and Computational Science (IJECS), 492-497, 2017. She published paper on "Texture Specific Lepton Mass Matrices and their Implications" in International Journal of Engineering Technology Management and Applied Sciences, ISSN-2349-4476, Impact Factor 2.24.
- **Dr Sanjeev Kumar** published nine research papers titled "Measurement of large angle Rayleigh scattering cross sections for 39.5, 40.1 and 45.4 keV photons in elements with $26 \leq Z \leq 83$ " in Applied Radiation and Isotopes 128 (2017) 125–131; "Cross section measurements of radiative KL_{2,3}RRS in ²⁴Cr and L₃M_{4,5} RRS in ⁵⁹Pr for Mn K_{α1,2}X-rays in Radiation Physics and Chemistry, 135 (2017) 55–62; "Rayleigh scattering of ⁶⁶Dy-K X-rays in elements with $22 \leq Z \leq 90$ " in Radiation Physics and Chemistry, 141 (2017) 257–263; "Alignment of L₃ subshell vacancy states created without Coster-Kronig decay through the selective photoionization in ⁸²Pb, ⁹⁰Th and ⁹²U and effect of external magnetic field" in Eur. Phys. J. D (2017) 71: 248 DOI: 10.1140/epjd/e2017-80346-8; "Fabrication of thin target ¹⁶⁰Gd by thermal evaporation technique" in Vacuum 145 (2017) 1113; "Physio-chemical and EDXRF Analysis of Water Samples from District Kurukshetra" in Nature and Science 2017;15(2); "Chemical state analysis of Cl K_α

and $K\beta_{1,3}$ X-ray emission lines using polychromatic WDXRF spectrometer" in Nuclear Inst and Methods in Physics Research B, 416 (2018) 62–67; "Dosimetry of adult and pediatric patients for common digital radiography examinations" in Radiation Protection Dosimetry (2018), pp. 1–9, doi:10.1093/rpd/ncx293; "Investigations on Photocatalytic, Antimicrobial and Magnetic Properties of Sol–Gel-Synthesized Ga-Doped ZnO Nanoparticles" in International Journal of Nanoscience, Vol. 17, No. 3 (2018) 1850014. His paper titled "Estimation of radiation exposures to the patients in diagnostic and therapeutic interventional procedures" has been accepted for publication in Radiation Protection Dosimetry, Feb, 2018.

- **Dr Samandeep Sharma** published a research paper titled "Implications of Weak Basis Transformations for the Texture Specific Quark Mass Matrices" in International Journal of Pure and Applied Physics, Volume 13, Number 1, pp 195-200 (2017). **Dr Samandeep Sharma** and Mr Gulshen Ahuja published another paper on "Texture zero mass matrices and CP violation" in Int. Journal of Modern Phys. A, Volume 32, No.16, 1742005 (2017). **Dr Samandeep** contributed a chapter "The Standard Model Lepton Mass Matrices and Their Implications for Neutrinoless Double Beta Decay" in the book Emerging Technological Insights, pp 147-152 (2017). ISBN: 978-93-85835-80-3.

Department of Biochemistry

- **Dr Akhlesh P Singh** published a book titled "Understanding Biochemistry: Biomolecules," MPH Publication, Chandigarh.
- **Dr Nidhi Mittal, Ms Kirti Sharma, Ms Avneet Kaur** published a paper titled "Toxicity of metals such as iron, nickel and cobalt on seedlings of broad beans (*Vicia Faba* L.)" in International Education and Research Journal, 3(5).
- **Dr Indu Mehta, Dr Nidhi Mittal** published a paper titled "Comparative study of sugar content from different fruit juices using *Saccharomyces Cerevisiae*" in International Journal of Advanced Research 5(6), 664-667.
- **Dr Nidhi Mittal, Ms Sunaina Thakur, Ms Heena Verma and Ms Avneet Kaur** published a paper titled "Interactive effect of Salinity and Ascorbic acid on Brassica Rapa L. Plants" in Global Journal of Bioscience and Biotechnology Vol 7 (1) 27-29.

Department of Bioinformatics

- **Mr. Varinder Kumar** published a paper in titled "Synthesis, Biological Evaluation, Molecular Docking and DFT Study of Potent Antileishmanial Agents Based on the Thiazolo[3,2-a]pyrimidine Chemical Scaffold" in Chemistry Select, a journal of Wiley-VCH & ChemPubSoc Europe publications
- **Mr Sandeep Saini, Ms Chander Jyoti and Mr Varinder Kumar** published a paper titled "Genome Wide Computational Prediction of Mirnas in Kyasanur Forest Disease Virus and their Targeted Genes in Human" in Innovative Thoughts International Research Journal, Volume 5 Issue 3, Pages 13-46, December 2017.

Department of Biotechnology

- **Dr Ashima Pathak** published 2 research papers titled "Studies on Seed Germination in Capsicum Seeds (*Solanum Esculentum*) under Abiotic Stress" in International Journal for Research in Applied Science & Engineering Technology Volume 6, Issue 3, Pages 27-34, 2018; "Low Cost in Vitro Multiplication of Capsicum Annuum" in International Journal for Research in Applied Science & Engineering Technology, Volume 6, Issue 2, pages 1473-1475, 2018. She published a paper titled "Study of Stress Among First and Second Year Medical and Dental Students" in Research Journal of Pharmaceutical Biological and Chemical Sciences, 8(2), 2017, 2679.
- **Ms Avneet Kaur, Ms Amrit Kaur, Ms Gagandeep Kaur** published a paper titled "Heavy metal induced toxic effect on growth and biochemical activities of turnip (*Brassica Rapa*) seedlings" in Bioscience Discovery 8 (3). **Ms Avneet Kaur, Ms Sakshi Narula, Ms Sagrika Oberoi, Ms Gurjit Bhadiar, Ms Aditi Bhandral, Ms Amrit Kaur** published a paper titled "Biosorption of cadmium in fenugreek (*Trigonella foenum-graecum*) using fruit peel

powder" in International Journal of Development Research 7 (6), 13514-13516. Ms Avneet Kaur contributed a chapter "Violence against Children", in the book Environment, Road Safety Education and Violence against Women and Children, Drug Abuse, Mohindra Publishing House, pp 249-261.

Department of Botany

- **Dr Supriya Vaid** published a chapter "Extent, Prevention and Management of Drug Abuse" in the book titled Environment, Road Safety Education, Violence against Women and Children, Drug Abuse, edited by Dr. Jasamrit Kaur and Dr. Samriti Dhawan ISBN 978-93-86558-26-8. (eds.). Pp. 280-291. Mohindra Publishing House Chandigarh.
- **Dr Shivani Saini** published a chapter titled "Integrating the knowledge of auxin homeostasis with stress tolerance in plants" in the book Mechanism of Plant Hormone Signaling Under Stress edited by G.K. Pandey, Wiley, pp 53-70. She published another paper "Comparative analysis of roots of a salt sensitive and salt tolerant cultivar of rice" in CHASCON 2018: Souvenir and abstracts, pp-271.

Department of Zoology

- **Dr Indu Mehta** published a paper titled "Extraction of apple juice using pectinase enzyme" in International Journal of Engineering Technology Science and Research, Vol.4, Issue 7.
- **Dr Preeti Kalia**, Neelima R Kumar and Ms Kusum Harjai published 2 papers titled "Efficacy of different extracts of propolis against *Salmonella enterica* serovar Typhimurium: An *in vitro* and *in vivo* study" in Journal of Applied and Natural Sciences, 9 (1): 144 -149; "Synergistic effect of propolis with cefixime against *Salmonella enterica* serovar Typhimurium: An *in-vitro* study" in Indian Journal of Natural Product and Resources, 8(2): 140-145.
- **Dr Jamuna Negi**, Neelima R Kumar and Ms Jaspreet Kaur published a paper titled "Seasonal changes in Glucose content in honey stomach of *Apis mellifera*" in Journal of Global Biosciences. 6(3):4828-4830.

Department of Information Technology

- **Dr Virender Singh** and **Ms Meenakshi Kondal** published a paper titled "Open Source Technology in future of Software Development" in IJIACS, Volume 7, Issue 3, March 2018, ISSN 2347-8616.
- **Dr Pooja Mohan** published three papers titled "Review of Context Aware Security Solutions for Sensor Network" in Proceedings of the 11th INDIACOM, IEEE International Conference on Computing for Sustainable Global Development, held from 01 - 03 March, 2017, pp. 1007-1011; "Privacy Policies based on Context Awareness in Sensor Network Healthcare Environment" in International Journal of Computer Science and Mobile Applications, November 2017, Vol 5, Issue 11, pg. 68-75 and a chapter "Developing a Context-Aware Secure Model for Sensor Network Environment" in the book Emerging Research in Computing, Information Communication and Applications, 2018, pp. 521-534, Springer, Singapore.
- **Dr Himani Mittal** published a paper titled "Multiagent System for Management and Evaluation of Examinations" in International Journal of Advanced Research in Computer Science, Vol 8 (9).

Entrepreneurship and Innovation Summit College signs MoU with CII and Young Indians (Yi)

A two-day Entrepreneurship and Innovation Summit was held at the college with the signing of Memorandum of Understanding (MoU) with CII to set up incubation centres in the college campus. Another MoU was signed with Young Indians (Yi), Himachal Pradesh to open a Yi chapter in the college. The MoU was signed in the presence of Mr. Hirdesh Madaan, co-chair, Yi Himachal Pradesh and Director, Mind Tree Education Pvt Ltd, Mr Rajesh Saboo, Chairman, CII HP State Council and Director, Phoenix Udyog Pvt Ltd, Sh Upkar Krishan Sharma, President, GGSDS College Society and Dr Bhushan Kumar Sharma, Principal of the college.

Dr Bhushan shared that the MoU aims to bridge the gap between the industry and the academia. "The partnership is an endeavour to extend the maximum benefits to the biggest stakeholders in the educational system i.e. the students," he added. He welcomed the dignitaries and addressed the issues faced by young entrepreneurs today. The theme of the Summit this year was 'Cultivate the Cult.'

Speaking on the occasion, Mr Rajendra Guleria, Chairman, Entrepreneurship and Innovation Summit and Director, Enviro Enterprises Ltd, highlighted the importance of entrepreneurial

skills. "The Government of India has undertaken several initiatives and instituted policy measures to foster a culture of innovation and entrepreneurship in the country," he said.

Other dignitaries present included Mr Vivek Atray, IAS (Retd), Author and Motivational Speaker, Mr Jaideep Ahuja, Regional Head- young Indians (Yi), Dr Rakesh Kumar Sharma, Advisor, Himalayan Institute and Former Sr. Advisor and Chief Vigilance Officer AICTE, Mr A. R. Singh, Director, Drish Shoes Ltd, Mr DNV Kumar Guru, Director, External Relations, Indian School of Business.

Mr Vivek Atray said, "Students must learn from people who have already trodden the path of entrepreneurship and find inspiration from them. While carving a niche in the world of business and entrepreneurship, students must focus on the 3 I's viz. Inspiration, Innovation and Integrity." "Institutions need to focus on including 'Innovation' as a subject in the curriculum," he added.

Mr DNV Kumara Guru, Director – External Relations, Indian School of Business, (ISB) said, "Never before in India's history, has there been a better time to become an entrepreneur. Students must invest their time and efforts in acquiring knowledge and use it to make a difference. It would be great to see a section of the newer wave of entrepreneurs focus on solving some of India's pressing problems."

Mr Jaideep Ahuja, Regional Head – Young Indians (Yi) & Managing Director, Ahuja Residency Pvt Ltd, said, "Do not set up a business only to earn money but look for real problems to solve in the world and money will come ultimately. Many people fail because they give up at the first sign of difficulty."

Mr Hirdesh Madan, Co-chair, Yi Himachal Pradesh & Director, Mind Tree Education Pvt Ltd said, "The entrepreneurs provide a magical touch to an organization, whether in public or private or joint sector, in achieving speed, flexibility, innovativeness, and a strong sense of self-determination. They bring a new vision to the forefront of economic growth."

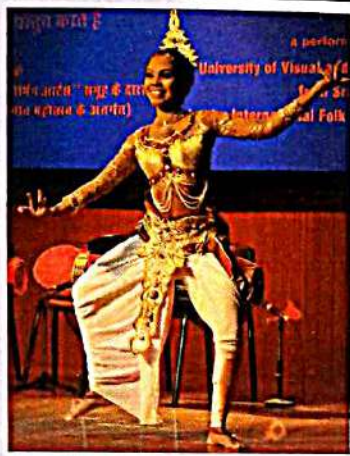

Dr Ajay Sharma, Dean, Cultural Affairs of the College proposed the vote of thanks.
