- Selected under 'Star College Scheme' and 'Builder Program'-D.B.T.
- Selected as 'Deen Dyal Upadhyay KAUSHAL Kendra' and 'Community College'-U.G.C.

Our Honourable Chief Guest
Hon'ble Mr. Justice Rajesh Bindal

Hon'ble Mr. Justice Rajesh Bindal has time and again taken needed decisions to uphold the rule of law. He took oath as a Judge of the Supreme Court on February 13, 2023. He has previously served as the Chief Justice of the High Court of Judicature at Allahabad the Acting Chief Justice of the High Court at Calcutta, and the Acting Chief Justice of the High Court of Jammu & Kashmir and Ladakh.

Justice Rajesh Bindal was born on April 16, 1961 at Ambala City, Haryana. After getting his school education in S.A. Jain High School, Ambala City he earned his Bachelor's degree in Commerce from Goswami Ganesh Dutta Sanatan Dharma College, Chandigarh. His graduation from Kurukshetra University in Bachelor of Laws (LLB) in 1985, marks a significant milestone in his life.

In September 1985, his career began with his practice in the Hon'ble High Court of Punjab and Haryana. From 1992 to 2006, he advocated in Court on behalf of the Chandigarh Administration before the Central Administrative Tribunal and the Employees Provident Fund Organization before the Central Administrative Tribunal and High Court. He handled issues involving tax law, civil law, and the civil service. He worked as a Standing Counsel for the Income Tax Department, Haryana and various central and State Government organisations.

While working at the High Court of Punjab and Haryana, he was associated with certain significant cases. He was in the team of advocates representing State of Haryana before the Hon'ble Eradi Tribunal and the Hon'ble Supreme Court.

He was elevated as Judge of High Court of Punjab and Haryana on March 22, 2006. In the court, he presided over the Computer and Arrears Committee as Chairman. Together with Justice B.S. Walia, his 2006 ruling on the Punjab Scheduled Caste and Backward Classes (Reservation in Services) Act, was widely lauded. The ruling allowed for 20% quotas for scheduled castes and scheduled tribes in promotions for government jobs in categories C and D and 14% for jobs in categories A and B. In 2017, he was a member of the Bench that ruled on a petition challenging the Bar Council of India (BCI) regulations (2006).

He provided a report on the Civil Aspects of the International Child Abduction Bill in April 2018 while serving as Chairperson nominated by the Ministry of Women and Child Development, Government of India. He submitted his report to the Ministry alongwith draft Bill of the proposed law regarding removal of children inter-countries on account of matrimonial dispute amongst the parents.

Before his transfer to the High Court of Jammu and Kashmir, he decided around 80,000 cases and was a

part of various committees, including the Computer Committee and Arrears Committee. He remained President, Board of Governors of Chandigarh Judicial Academy. On account of his keen interest in IT, he was instrumental in development of large number of softwares including development of Software MedLEaPR (Medico-Legal Examination and Post-Mortem Reporting System). The MedLEaPR is a workflow-based web-based centralized system for preparation of Medico Legal and Post Mortem Reports, which provides requisite access security, based on roles & responsibilities of concerned doctors, health institutes etc. Beside Punjab, Haryana and Chandigarh, this application is replicated in the states of Himachal Pradesh, Rajasthan, Madhya Pradesh and Jammu & Kashmir. West Bengal, Uttar Pradesh and Tamil Nadu have also shown interest in the system. In this web-based application, all records pertaining to MLR and PMR are not only computersied but synced with the Court File in both States of Punjab and Haryana and Union Territory of Chandigarh.

Under the guidance of Lordship, the State of Haryana developed Litigation Management System at High Courts and District Level to effectively manage the State litigation. The same system has been adopted by the States of Punjab, Uttar Pradesh and Union Territory of Jammu & Kashmir and Ladakh.

A committee was constituted under his chairmanship by the Supreme Court for framing draft rules for electronic evidence. The report was submitted to Supreme Court in November, 2018.

On transfer to High Court of Jammu and Kashmir, he took oath of office on 19th November, 2018. He was nominated as Chairman of the Committee constituted for conducting assessment for optimal use of technology by National Legal Services Authority and the State Legal Services Authorities including use of Artificial Intelligence. Report was submitted to National Legal Services Authority.

He was also Member of the Committee constituted by National Legal Services Authority to go into the existing framework of Lok Adalats and Mediation and to suggest ways for enhancing operational efficiency and plugging gaps, if any, for better application of these ADR mechanisms for weaker sections of the society.

He was appointed to perform the duties of office of the Acting Chief Justice of the Common High Court for the Union Territory of Jammu & Kashmir and Ladakh with effect from 8th December, 2020.

Before his transfer High Court at Calcutta, he was the Chairman of the Finance Committee, Building and Infrastructure Committee, Information Technology Committee, State Court Management Systems Committee, and Chairman of the Jammu and Kashmir State Legal Service Authority.

He was transferred to the Calcutta High Court and was sworn in on January 5, 2021 and further appointed to perform the duties of Office of the Acting Chief Justice of the High Court at Calcutta on April 27, 2021.

A Committee was constituted under the Chairmanship of Lordship by e-Committee of the Supreme Court to formulate Model Electronic Register, which can be adopted for use with suitable regional variation in all parts of the country by the District Judiciary to replace manual registers and avoid multiple entries. Report stands submitted.

He took oath as Chief Justice of the High Court of Judicature at Allahabad on October 11, 2021.

During his tenure in three different High Courts, where he had opportunity to head, he got Action Plans prepared and circulated to the district judiciary to take care of old cases and good success was achieved.

My Lordship was elevated as a Judge of the Supreme Court of India on February 13, 2023.

The Year at a Glance

Goswami Ganesh Dutta Sanatan Dharma College, Chandigarh has been striving for greatness since its outset. In its 50th year, the institute retains the same prestige, distinction, and excellence and is committed to provide quality education.

The institution has come a long way in the last 50 years, with progress in all areas – academics, research and innovation, sports, cultural activities, and capacity building relevant to staff and students.

Our students have done exceptionally well in the Panjab University Examinations, in prestigious university-wide competitions, and in highly competitive sports events, winning a bevy of awards for college. Several college athletes have competed for their country at international competitions. Mr. Sagar Ahlawat, who won a silver medal at the 2022 Commonwealth Games, is one of them. In cultural, we won the overall trophy in PU Zonal Youth and Heritage Festival for the consecutive 8th year in 2022.

The institution is committed to meeting the needs of its students and helping them develop their technical proficiency by maintaining and updating its technological infrastructure.

Institution's Innovation Council (IIC) has been awarded 3.5 star rating in 2022 by the Union Ministry of Education, a testament to its dedication to meeting the evolving needs of the student body via the introduction of a culture of quality innovation and entrepreneurship. In addition, several students in 2022 were able to get internships and placements on campus.

The faculty of GGDS D continually participate in research activities, carry out research projects, and publish research papers in journals of national and international acclaim to attain and encourage excellence in publishing and applied research.

The GGDS D family mourns the loss of its guiding spirit, the late Sh. Upkar Krishan Sharma Ji, a former president of the GGDS D College Society. In a tribute to late Sh. Upkar Krishan Sharma Ji and in the honour of the college's 50th anniversary, the Chief Guest, Ms. Anindita Mitra, IAS, Commissioner, Municipal Corporation, Chandigarh, unveiled the Golden Jubilee Monument, a marble monument with an integrated permanent fountain.

Ms. Vaishali Sharma, daughter of Late Sh. Upkar Krishan Sharma, Former President, GGDS D College Society, has been elected as President of GGDS D College Society at the General Body Meeting held on January 22, 2023.

Here at GGDS D, we keep the flame of will ablaze, and we face obstacles with unconquerable grit and conviction. We aspire to expand our horizons as a group of curious minds.

Commencement of Golden Jubilee Year of the College

A **havan** was organised in the College premises to mark the commencement of the **Golden Jubilee Year** of the College.

The college celebrates 50 years of academic excellence and a commitment of providing enriching and life-changing opportunities to the students.

Sh. Upkar Krishan Sharma Ji
Former President, GGDS D College Society, Chandigarh

*"When a great man dies, for years
the light he leaves behind him, lies
on the paths of men"*

- H W Longfellow

The GGDS D college community cherishes the fond memory of Shri Upkar Krishan Sharma Ji, Former President, GGDS D College Society, Chandigarh and pray for his eternal peace. He took over the responsibilities as President of GGDS D College Society Chandigarh on 09 September 1999 and worked tirelessly until his tragic demise on 14 July 2022. He served as Vice President Manufacturing at Eveready Industries Limited India from January 1968 to August 1999. He always upheld the Sanatanist tenets of goodwill, mercy, patience, forbearance and generosity.

As we grieve the loss of our guiding spirit, we remember his unwavering ethics, salute his tireless efforts and make a firm resolve to uphold integrity of his legacy.

A Prarthana Sabha and Rasam Kriya was organised by the GGDS D College Society, Chandigarh in the main auditorium of the College to pay homage to Shri Upkar K. Sharma, President, GGDS D College Society on 24th July. Devotional songs and bhajans rendered by Ms Aastha Goswami from Vrindavan.

Ms. Vaishali Sharma
President, GGSDS College Society

Ms. Vaishali Sharma, daughter of Late Sh. Upkar K. Sharma, Former President, GGSDS College Society was elected as President of GGSDS College Society at the General Body Meeting held on 22 January 2023.

Ms. Vaishali Sharma's long experience in the corporate sector in general and in the field of marketing in particular not only speaks of her substantially quantifiable accomplishments but also reflects on her professional excellence and virtuosity, for she has been associated with some of the undisputed brand leaders in the field of media and communications.

Presently, she is the Head of Marketing and Communication, Sony SAB and Sony MAX movie cluster at Sony Pictures Networks, positioned in Mumbai. With an arduous job profile that her position entails, it calls for a proactive approach, creative mindset and quick thinking. The fact that she has been with a brand like Sony Networks for more than nine years

underscores the skills, flair and proficiencies that Ms. Sharma possesses. She has also looked after the IPL marketing with Sony which in itself is a mark of excellent leadership and business acumen. During her stint as the Head of Marketing for BBC News, South Asia, she created a strong presence across the countries with campaigns and initiatives. Ms. Sharma was also nominated and was one of the two people shortlisted in 2009 for the BBC Global Reith awards.

Dr. Anirudh Joshi
Former President, GGSDS College Society, Chandigarh
(August 2022 - January 2023)

Dr. Anirudh Joshi, Indian Sanskrit scholar, a gifted speaker and former Dean Student Welfare of Panjab University has been associated with Goswami Ganesh Dutta Sanatan Dharma Society since the founding of the college. Over the past half century, he has been the institution's guiding light.

Dr. Joshi succeeded as President of GGSDS Governing Body after the demise of Sh. Upkar Krishan Sharma and continued the college's tradition of excellence. He has contributed greatly in building the legacy of the institute and has been a constant beacon of hope.

A widely traveled scholar, Dr. Joshi has authored two books, over 100 research papers and guided research for 75 Ph.D's and 40 Masters of Philosophy. From being listed as a noteworthy Sanskrit educator by Marquis Who's Who to being nominated as Member of Hindi Salahkar Samiti of Ministry of Parliamentary Affairs in 2008, his caliber rekindles the flame of dedication inside each heart.

Dr. Akhlesh P Singh published two book chapters titled 'Gluten Related Disorders: Current Understanding, Myths and Facts' and 'Nutritional composition, bioactive compounds, and phytochemicals of wheat grains' in Wheat Science: Nutritional and Anti-Nutritional Properties, Processing, Storage, Bioactivity and Product Development, published by Taylor & Francis Group, LLC. He also, published a book chapter titled 'Scope of ohmic heating system in the food processing industry' in Ohmic heating: Potential tool for food processing, published by CRC Press a Taylor and Francis group. Another chapter titled 'Application of Synthetic biology in Bioremediation' was published in the book Microbes for Humanity and Application, published by Astral International Pvt. Ltd., London.

Dr. Amit Goyal published a book chapter titled 'The Insights into Richness of Nonlinear Schrödinger Equation' in Nonlinear Dynamics of Nanobiophysics, Springer Nature Singapore, ISSN: 978-981-19-5323-1. <https://doi.org/10.1007/978-981-19-5323-1> He also published 'Stationary hypergeometric solitons and their stability in a Bose-Einstein condensate with PT-symmetric potential', S. Bhatia, A. Goyal, S. Jana, C.N. Kumar, Physics Letters A 469 (2023) 128751.

Ms. Anamika Kumari published a paper titled 'In-vitro propagation and phytochemical analysis of therapeutically endangered orchid, Vanda cristata Wall. ex Lindl.' in South African Journal of Botany, 153: 109-123. <https://doi.org/10.1016/j.sajb.2022.11.023>.

Dr. Ankush published a paper titled 'A Study of Quality of Banking Services' in YMER Journal, an International open access journal, listed in SCOPUS and UGC Care group II, Volume 21, Issue 6 June 2022, ISSN 0044-0477. He also published a research paper titled 'The Influence of Demographic Factors on Perceptions of Service Quality' in YMER Journal, an International open access journal, Scopus listed and included in UGC CARE Group-II, Volume 22, Issue 02, February 2023, ISSN 0044-0477.

Dr. Anuprabha published a book chapter entitled 'Innovative Trends in Biological Sciences: Role of CRISPER/Cas9 Gene Editing Technology' in Agriculture to Engineer Future Food (ed. B. Singh, M.M. Barwant, S. Tripathi, V.C. Karande, V.K. Singh, and R. Srivastava). pp.266-278, Bluerose Publishers, Delhi, India. ISBN 978-93-5704-927-6. She gave an oral presentation on 'An Effective In Vitro Asymbiotic Seed Germination and Regeneration Protocol for Rapid and Mass Propagation of Malaxis acuminata D. Don [=Crepidium acuminatum (D. Don) Szlach.]' in National

Dr. Indu Mehta was awarded a research grant of 1,20,000/- as a principal investigator by the Department of Science & Technology & Renewable Energy, Chandigarh Administration for a short term research project titled, 'To study the adverse effect of Metsulfuron-Methyl on the beneficial bacteria and seed germination.'

Dr. Parul Dhar and Dr. Preeti Kalia will be the co-investigators for the same.

Conference cum Workshop on Multidisciplinary Approaches in Studies, Conservation and Resource Development of Medicinal and Ornamental Orchids & Orchid Show at Department of Botany, Panjab University, Chandigarh during March 03-05 2023.

Dr. Archana Goyal published a research article titled 'Deep Learning-Based Named Entity Recognition System Using Hybrid Embedding' in *Cybernetics and Systems*, pp.1-23, August 2022. TAYLOR & FRANCIS.

Dr. Ashwani Kumar published a paper 'Development of novel flexible photodetectors based on 0.5PVA/0.5PVP/Fe:NiO nanocomposite system with enhanced optoelectronic properties' in *New Journal of Physics*, Volume 24, December 2022. DOI: 10.1088/1367-2630/aca8a. He also published 'Facile low temperature development of Ag-doped PbS nanoparticles for optoelectronic applications', Amira Ben Gouider Trabelsi, Fatemah H Alkallas, Kamlesh V Chandekar, Ashwani Kumar, Mohd Ubaidullah, Mohd Shkir, Aslam Khan, M Aslam Manthrammel, S AlFaify, *Materials Chemistry and Physics* 297 (2023) 12729

Mr. Balpreet Singh published a paper titled 'Media and its Narrative in Post-Truth World' in *International Journal of Research and Analytical Reviews (IJRAR)*, Volume 9, Issue 2 on 29 June 2022, E-ISSN 2348-1269, P-ISSN 2349-5138.
