Sustainability has emerged as a global imperative, and educational institutions are at the forefront of this movement. The Green Campus Committee, comprising students, faculty, and staff, is a dynamic force working relentlessly to transform the campus into a model of sustainability. With a shared vision and unwavering commitment, this dedicated team is leading the way towards a greener future. The Green Campus Committee is a multidisciplinary group committed to addressing environmental issues within our institution as well as surroundings. Our mission revolves around promoting eco-conscious practices, reducing waste, conserving resources, and fostering environmental awareness among the campus community.

About the College

Goswami Ganesh Dutta Sanatan Dharma College is a 'Clean and Green Campus' for it has a very clean, green and beautiful landscape and plantations that provide an excellence environment for learning.

The college was established in 1973 with an aim to bring change in society through education. Since its inception, institution has come a long way to establish itself as one of the premier institutions of higher learning in the region. The institution has been accredited with 'A+' Grade by NAAC in its 3rd Cycle of accreditation in 2017. The College has been in the rank band 100-150 in NIRF - 2020 of Colleges by Ministry of Human Resource Development, Government of India. The college offers various opportunities to our students for developing their talent and also promotes a culture of acceptance through day to day activities.

Green Campus Committee: The Institution has constituted a **Green Campus Committee** in order to protect and conserve ecological systems and resources within the campus.

Vision: Safe and Eco-friendly sustainable campus

Mission: Set standards, adopt measures and educate the students and society about safe and eco-friendly environment.

Objectives of the Green Campus Committee

- Reduce the campus's carbon footprint through energy-efficient measures and renewable energy adoption.
- Promote responsible water usage and conservation on campus.
- Implement waste reduction and recycling programs for materials like paper, plastic, and glass.
- Advocate for sustainable transportation options, including biking, walking, and electric vehicles.
- Raise environmental awareness and promote eco-conscious behaviors among students and staff.
- Collaborate with various campus departments to integrate sustainability into all aspects of campus life.
- Participate in regional and national sustainability initiatives to share insights and best practices.
- Serve as a model for other educational institutions looking to enhance their sustainability practices.

Activities undertaken (2022-23)

I. ENVIRONMENT AWARENESS ACTIVITIES IN CAMPUS

A. Observation of Environment Days

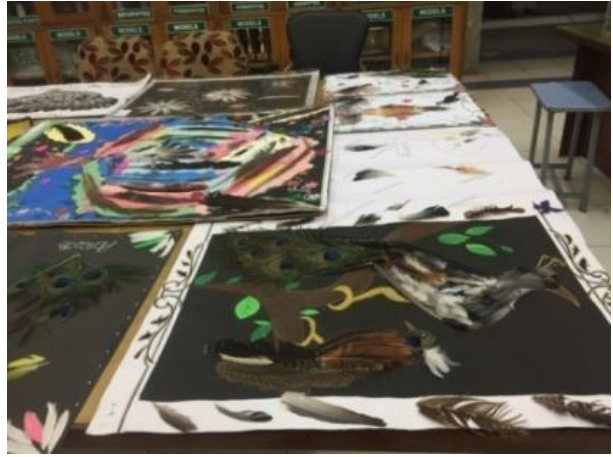

WORLD WET LAND DAY (2ND FEBRUARY)

Green Campus Committee of Goswami Ganesh Dutta Sanatan Dharma College, Chandigarh organized a Group Discussion on World Wetlands Day on 2 February 2023. Our team Member Ms. Raveena Thakur made awareness to students about world wetlands day and its importance. Wetland Day celebrates the significance of wetlands, crucial ecosystems that support life on Earth. These dynamic habitats serve as natural filters, fostering biodiversity, and providing essential resources for communities worldwide. However, wetlands face threats from human activities, jeopardizing their existence. She sensitised students about how conservation of wetland and water bodies is important for reducing greenhouse gases and for our day to day activities. On this day, we must unite to protect and restore wetlands. Through sustainable practices, conservation efforts, and public awareness, we can safeguard these "kidneys of the earth." Let us embrace our role as responsible stewards, nurturing wetlands and securing a sustainable future for all living beings. Together, we can ensure the continued vitality of our planet's invaluable wetland ecosystems.

- Poster making competition was also organised to create awareness of the wetland biodiversity its conservation and importance, among the students. The program was open for all the students of the college.

WORLD FOREST DAY (21ST MARCH)

- To celebrate International day of Forests, workshop on Pruning techniques and ‘One Student, One Tree’ activity was organized by Environment Society ‘HARITIMA’ on 21 March 2023. Hands-on-session was conducted for the students and gardeners of the college on pruning of plants and planting of Rose and Bougainvillea cuttings. Resource person, Ms. Anamika from department of Botany, Panjab University, Chandigarh discussed the various aspects of pruning highlighting the need and benefits of pruning of plants and demonstrated various pruning techniques. Saplings raised by Botany department were distributed to the student volunteers, who pledged to sow and take care of these. Dr. Ajay Sharma, Principal of the college congratulated the gardeners on their whole hearted efforts in maintaining the green areas in the institution and emphasized on maintaining green areas in the college through participation of all.

- The Department of Zoology, Goswami Ganesh Dutta Sanatan Dharma College, Chandigarh organized a Poster making competition to mark the occasion of “International Forest Day” on 21 March 2022 on the theme “Forest Conservation” to make students aware and explore their innovative ideas.

WORLD WATER DAY (22ND MARCH)

To celebrate World Water Day students of Chemistry Department did water audit of the campus and its analysis from 20- 25 March 2023 under the guidance of Dr. Jyoti Kataria, Ms. Raveena Thakur and Mr. Puran Lal. Activity was executed in three phases of water consumption, water management and physico-chemical analysis. Different teams were constituted to undertake the activity under the mentorship of the faculty members respectively. The entire campus was divided into different zones for ease of survey. The survey conducted by students helped to spread awareness and grab attention of the students and staff on the subject of water conservation and improve upon the water management strategies to reduce wastage of water.

EARTH DAY (22ND APRIL)

- On the occasion of Earth Day, Green Campus Committee and College Environment Society conducted a Waste to Wealth workshop on making pots out of waste material on 21 April 2022. With a focus on recycling, reusing and reducing waste material, student volunteers collected take away containers and converted them into planters. Students actively participated in the campaign and collected take away waste containers and waste earthen kulhars from Food joint Chaye Chatore. It was a unique way to sensitize the students to recycle and reuse waste. About 25 students participated in the workshop to create planters and planted indoor air purifying plants in them. The planter were then displayed and distributed to the staff and students.

- Climate is getting worse with every passing day and it is our duty to save and conserve our mother nature Earth. To make students aware of this, Aristotle Club of Zoology Department, Goswami Ganesh Dutta Sanatan Dharma College, Chandigarh organized an Online “Slogan Writing Competition” on 22 April 2022 to celebrate the “**World Earth Day**”.

The theme of competition was “Paint the Earth Green”. 72 students of different classes participated in the event. Winners will be awarded certificates.

INTERNATIONAL BIODIVERSITY DAY (22ND MAY)

As a part of International Biodiversity Day celebrations, volunteers of Environment Society ‘HARITIMA’ prepared bird feeders out of discarded scrap and pitched bird houses on trees towards biodiversity conservation. The volunteers sensitized the people of their community how a simple act of hanging feeders and bird nesting can help in increasing their numbers.

WORLD ENVIRONMENT DAY (5TH JUNE)

- The college organized “Go Green Campus Drive” to commemorate World Environment Day on 6th June, 2022. The event was held in collaboration with FOR A CAUSE NGO which promotes environmental causes. Speaking on the occasion, the college Principal, Dr. Ajay Sharma, motivated the students to inculcate eco-friendly best practices in their everyday lives.

More than 200 indoor plants were placed in the corridors of the college to make them green and cool.

Our green team is working and will continuously work to encourage sustainable and eco-friendly practices to save Mother Earth.

- **SAVE THE ENVIRONMENT:** The students took out a rally on 3 October 2023 in the market place of sector 46 and 32 as a part of community sensitization to SAVE THE ENVIRONMENT. The students encouraged people to buy earthen lamps and other such environment-friendly products and say no to fire crackers. As a part of the campaign, the students spread the message of celebrating a pollution-free, green and healthy Diwali.

- Green volunteers of the college conducted Swachta Drive at Manimajra, Sector 13, Chandigarh on 17 October 2022. They visited various shops and sensitized them about the use of paper bags and segregation of waste. The volunteers even visited the schools and inquired regarding the swachtha activity conducted for students. They also verified availability and proper functioning of basic facilities such as water purifiers, clean washrooms, etc in the schools. This was done under the guidance of Mr. Rohit Kumar, Captain of the swachtha mission.

- The NSS Unit and Green Campus Committee of Goswami Ganesh Dutta Sanatan Dharma College conducted Swachhta Drive under Swaccha Bharat Mission and also celebrated Poshan Maah at Government Sr. Secondary School, Burail, Sector 45, Chandigarh on 01 October 2022. As a part of the Poshan Maah event, the students were sensitised about health and cleanliness and made aware of about its importance. Discussions were done on various diseases which are a result of malnutrition with respect to specific nutrients. 32 NSS volunteers (18 Female Volunteers plus 14 Male Volunteers) took part in the Swachhta Pakhwada and cleaned the part of School campus.

- This year to celebrate World Environment Day 2022, green volunteers of Green Campus Committee conducted workshops on Green Practices at various schools of Punjab, Haryana, Himachal Pradesh and Delhi. The theme of the workshop was **“Waste to Wealth and Environment Consciousness”**. Students were asked to initiate Pen Bank at their institute. They were taught to make pen donation boxes where they can collect discarded pens, refill them and reuse. They were also encouraged to stop using single use pens. **Till date we have covered more than 25 schools.**
