Dear Students,

To further strengthen the security of the college's Wi-Fi network and ensure secure internet access for all authorized users, the IT Department has upgraded the campus Wi-Fi infrastructure.

How to Obtain Your Login Credentials for GGDSD Jio Captive Portal

To view your Wi-Fi login credentials, please click the link below:

Login Credentials Portal:
https://wifi-students-vercel.vercel.app/

On the portal:

1. Enter **First 4 Letters of your Name in Capital Letters only**
2. Enter the **Last-4 digits of your College Registration no**.
3. Click **Get Credentials**.
4. Your **Username** and **Password** will be displayed on the same page. Please note these credentials and use them to log in through the GGDSD Jio Captive Portal.

Procedure to Connect to the Internet

1. Turn on the Wi-Fi on your device.
2. Connect to the Wi-Fi network **GGDSD_College**
3. Enter the Wi-Fi password: **sdcollege**
4. Once connected to the Wi-Fi network, open any web browser.
5. The **Jio Captive Portal** will open automatically. If it does not appear, try opening any website.
6. Enter your assigned **Username** and **Password** on the Jio Captive Portal to access the internet.

Procedure for Avoiding Random Disconnections

Go to Wifi Settings of GGDSD_College

Under Privacy, Select Device MAC only (or) Private WIFI Address = FIXED

If you experience any issues while retrieving your credentials or connecting to the Wi-Fi, you may contact the I.T. Department for assistance. We request all students to update their devices and begin using the new Wi-Fi network at the earliest.
